

FALL ARREST PLATFORMS

AFTERMARKET PARTS

Genuine JLG Parts

When your work requires that you exit the platform, JLG helps keep you safe and mobile with our Fall Arrest Platforms. These platforms use a cable system that allows the operator to leave the platform and move freely without detaching the safety harness. This helps keep the operator safely tethered to the platform at all times.

Fall Arrest Platforms, another exclusive from JLG.

FEATURES / BENEFITS

- Available for a variety of boom lift applications including aviation and steel erection
- Increased operator protection

HOW TO ORDER:

- Phone: (877) JLG-LIFT
- Fax: (800) 733-8939

Fall Arrest Platform

Notes: • Pricing is subject to change without prior notice. Refer to ONLINE EXPRESS® for most current pricing.
• Purchase and installation of platform does not guarantee compliance with all federal, state, and/or local statutes. It is the responsibility of the customer to verify any and all applicable laws that may pertain to their equipment.
